the tremendous selfishness, pride, intolerance and other human emanations that so often engulf an unwed mother-to-be, causing intense suffering and distress to that lifestream. She spoke upon that subject Herself at some length, calling forth from the unascended portion of the audience a great response for the establishment and maintenance of homes where those individuals can hold up their heads and bring forth their offspring in a spirit of happiness and hope rather than self-deprecation, degradation and shame. The Beloved Kwan Yin commended highly those religious organizations (sponsors of which were present) for already having done so much along this line of endeavor. Of course, you will understand that conditions of this kind are much more prevalent among the teeming millions of the Oriental countries rather than in the Western Hemisphere.

Beloved Lord Gabriel's Summary is continued in Bulletin No. 17 (see page 87)

Note 1 - The Beloved Archangel Michael, in a petition to the Karmic Board, requested that the "I AM" Presence of those egos who went through the 'second death' be given an opportunity to reincarnate on Earth once again so that they might be enabled to fulfill their Divine Plan according to the vow they took to life when they first took embodiment.

Beloved Children:

This week, We will continue with the Beloved Gabriel's summary of events at the recent meeting of the Karmic Board and the Great White Brotherhood - in which you are deeply interested. From the petitions placed before that August Body for Their consideration and the decisions arrived at and handed down, you will see that great progress is being made in the alertness of the student body to the requirements of the hour for the upliftment of the race. Permit Me to say, for your encouragement, that We were all very proud of the showing Our beloved chelas made before that vast Assembly.

Blessings and Love,

MAHA CHOHAN

BELOVED LORD GABRIEL'S SUMMARY OF ACTIVITIES AT THE ROCKY MOUNTAIN RETREAT -- continued

The Beloved Saint Germain made a great call for the particular activity that He is so interested in and for which He stands Sponsor - that is, a happy passing from the physical body at the time of so-called death. His own transition as Joseph, in the presence of Jesus and Mary, was so peaceful that it prompted Him to make a vow to life that henceforth He would

dedicate a portion of His existence to making invocation to the Great Universal Cause for a 'happy passing' for every lifestream connected with the planet Earth, both human and otherwise, as well as for the removal of pain and the indignity of disintegration, decay and senility that seems to accompany 'old age'. He received a tremendous amount of energy supporting that call, as well as a great release from the Karmic Board.

The Brotherhood took many of the petitions which you were holding mentally and which They had not incorporated into Their own. You see, you had been visiting the Retreat from the 15th of June on, and had, more or less, gotten yourselves associated with the Masters, the Angels, and unascended lifestreams who were interested in the same projects, and so the ideas were passed around from one to another.

As I have told you previously, when the Beloved Micah, Who is the Keeper of the Scrolls for this year, receives and welcomes the visiting Hierarchs and Sponsors, He assigns Them to the special Council Room set aside for Their use. Here They receive the members of the Brotherhood who are interested in the petitions They wish to present. These petitions are then placed on bulletin boards outside the doors of the various chambers and the many visitors from the outside world (like yourselves) who wander around the corridors in their inner bodies at night read these bulletins. Then they find themselves knocking rather timidly at the doors of the Council Chambers and, being graciously admitted, listen with great interest to the plans these Great Ones have formulated for the benefit of the race.

This year, We found so many good ideas forthcoming from the unascended beings that it was decided to place a special Council Room at their disposal. So it was that the Beloved Lanto had to get His Builders of Form busy hewing out another chamber where you all gathered and expressed yourselves on the various ideas that you thought were good - as indeed most of them were. At the rate the Retreat is expanding, I think that it will take in the whole Teton Range presently.

Many lifestreams from other activities drifted into that room - liking the sound of your voices and the color of your auras, as well as the endeavor in which you were engaged. Some of them stayed while others wandered out again - still searching for something with which they could vibrate.

You remember the phrase 'water seeks its own level'. That is also true of people's consciousnesses - like seeking like. That is how groups are formed. Individuals who have the same tendencies, the same type of consciousness, are inevitably drawn to a leader who is of the same kind, and are perfectly happy and content in that environment - which is as it should be. That group is then liable to develop into a beautiful expression of God's Perfection, all members being of one accord. It is very interesting to note this tendency in all life's expressions. Even in the Retreats you will see Blue Ray people drawn like a magnet to a Blue Ray speaker, and the same with the other Rays -- a very interesting thing to watch.

That is the way it works in the Higher Octaves

also. There are people working in the First Ray Temple - the Second, Third, Fourth, Fifth, Sixth and Seventh, and I tell you from experience, as an activity of the Fourth Ray (Purity) that Our's is not the most popular in the world. In Our service on the Resurrection - that of cleansing and purifying the various bodies -- especially the etheric, it stirs up latent distresses; so I know something of what it is to use positive energy which moves inert matter - and inert matter both resists and resents that. Of course, Our lifestreams, not possessing any of the frailties of the human nature, these feelings do not tie in to Us, but would be apt to do so with unascended beings if they put their attention upon them.

Your various petitions were all gathered up by the Beloved Morya and presented by Him to the Karmic Board. Some of you had your petitions embodied in those of certain of the Masters (being the same in substance) but some of you presented your own.

We do not wish to repeat Ourselves, because the human mind is always on the search for something new, but We have had opportunity to describe to you how very brave you were in the writing of your petitions, but how very timid when you had to stand before that great audience and deliver those petitions yourselves to the Karmic Board. Nevertheless, I think it is a most marvelous and wonderful thing that you have the interest of mankind, as well as the other evolutions of the Earth, so much at heart, and you are to be commended for the strength of spirit it takes to even stand up and open your mouths before that tremendous Body. I have seen people

who had wonderful ideas, but at the last moment, when they looked at that great Assembly, at the Karmic Board, the Ascended Master Hierarchy, the Angelic Host, and all the visitors, including those from other suns and systems, they were just not able to go through with it. They would start up the circular stairway leading to the rostrum and then turn back, So you are to be commended on your courage and the full import of all that was contained in your petitions, and the Beloved Morya, as well as the other Masters under Whose instruction you have been placed, were very pleased indeed with the impression Their chelas made before that vast assemblage - and the Karmic Board particularly.

The replica of the Temple of Truth which has covered the Western Hemisphere became world-wide last evening. It now encompasses the entire planet, which gives a tremendous impetus to the Beloved Vesta, Pallas Athena, and Hilarion in bringing in the radiation of Truth, and to the Beloved Elohim of Purity (Our Beloved Claire) and Astrea to bring the Purity Ray into the lower atmosphere. We are of the opinion that you will find a greater clarity of Truth and Purity in your own consciousness which will pass, through radiation, to those in your immediate environment and eventually to the rest of mankind.

The old proverb says: "With all thy getting, get understanding!" But before this can be done in its entirety, it is necessary to remove the effluvia from your mental, emotional, etheric and physical bodies that has closed in your light and made the truth difficult to understand. However, during this Class We have removed tons of this dark substance from the entire student body

which will expand the Flame in your hearts and accelerate your brain consciousness.

Try to understand this and accept it. Call to Me and I will help you understand. That is why We speak to you in simple words that can be readily understood. The old occult studies were, as you know, so abstruse that few could understand them, but now that We are speaking to you like children there should be no lack of understanding. If you find yourself puzzled on some point of the Law, just call: "Gabriel! Help!" and I will be as willing to assist you as I was to help the Beloved Mary in Her hour of trial. Thank you and God bless you, beloved ones.

Beloved Children of My Heart:

This week, I offer you an address by My Beloved Son, Serapis, delivered on the occasion of the recent Transmission Flame Ceremonies at His Retreat in Luxor, during the course of which He not only played the part of a very entertaining Host and Guide through His beautiful Sanctuary, but He also took advantage of your attention to impart a little of His beloved Law. As you have been told so often, the God-free Beings take these opportunities to address the children of men very seriously and spend much time in the preparation of their subjects in an endeavor to cover as many points of the Great Law as possible coupled with instruction on how to live within it. As the Archangel Gabriel saluted the Beloved Mary with the words; "Blessed art thou amongst women!", I say to you: Blessed are ye among the sons and daughters of men that are given the opportunity to hear the words of the Ascended Host of Light and profit by them.

Blessings and Love,

MAHA CHOHAN
